1. We have reviewed the accompanying statement of unaudited standalone financial results of **Onelife Capital Advisors Limited** ("the Company") for the quarter and nine months ended December 31, 2015 ("the Statement") prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (SEBI) (Listing Obligations and Disclosure Requirements) Regulations, 2015. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these Statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statements of unaudited financial results, prepared in accordance with the applicable Accounting Standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies generally accepted in India, has not disclosed the information

required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

**4. Emphasis of Matter**

We draw attention to the note no. 5 of the accompanying statement of unaudited financial results regarding the alteration of the objects of Initial Public Offer (IPO) and utilization of IPO proceeds on the altered objects on approval of the Board of Directors and the subsequent approval of shareholders for altering objects of IPO.

Our opinion is not qualified in respect of the above matter.
