Independent Auditors' Report

To the Members of

ONELIFE GAS ENERGY & INFRASTRUCTURE LIMITED

1. Report on the Financial Statements

We have audited the accompanying financial statements of **ONELIFE GAS ENERGY & INFRASTRUCTURE LIMITED**, which comprise the Balance Sheet as at **31st March , 2016**, the Statement of Profit and Loss and Cash flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

2. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for the ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating

the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

4. Opinion

**Annexure "B" to the Independent Auditors' Report
(Referred to in paragraph 5B(f) under 'Report on Other Legal and Regulatory Requirements'
section of our report of even date)**

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section
3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of **ONELIFE GAS ENERGY & INFRASTRUCTURE LIMITED** ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing as specified under Section 143 (10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with the generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note.

ONELIFE GAS ENERGY AND INFRASTRUCTURE LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH, 2016

1. Significant Accounting Policies

A. Basis of Accounting

a. The financial statements have been prepared in accordance with the historical cost convention on an accrual basis and comply with the applicable Accounting Standards specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. These financial statements have been prepared as required under relevant provision of the Companies Act, 2013 and the presentation is based on the Schedule III of the Companies Act, 2013. All assets and liabilities are classified into current and non-current generally based on the criteria of realization / settlement within twelve months period from the balance sheet date.

b. Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized in the period in which such revision are made.

B. Fixed Assets

Fixed assets are stated at cost less accumulated depreciation and impairment loss if any. Cost comprises the purchase price and any cost, attributable to bringing the asset to its working condition for its intended use.

Intangible assets are recognized only if it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. The intangible assets are recorded at cost and are carried at cost less accumulated amortisation.

C. Depreciation

Depreciation is provided on "Written Value Method" basis at the rates specified in Schedule II to the Companies Act, 2013. Depreciation is charged on pro-rata basis for assets purchased/sold during the year. Since the Company is not having any Fixed Assets and hence there will be no effect on Statement of Profit & Loss Account of the Company due to change in the policy of providing depreciation.

D. Impairment of Assets

The Fixed Assets or a group of assets (cash generating units) are reviewed for impairment at each Balance Sheet date. In case of any such indication, the recoverable amount of these assets is determined, and if such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the impairment loss is recognised by writing down such assets to their recoverable amount. An impairment loss is reversed if there is change in the recoverable amount and such loss either no longer exists or has decreased.

E. Investments

Quoted Investments are valued at cost or market value whichever is lower. Unquoted Investments are stated at Cost. The decline in the value of the Unquoted Investments, other than temporary, is provided for. Cost is inclusive of brokerage, fees and duties but excludes Securities Transaction Tax, if any.

F. Inventories

Inventories are valued at cost or net realisable value whichever is lower. Cost of inventories comprises all costs of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

G. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of that asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

H. CENVAT/Value Added Tax

CENVAT/Value Added Tax benefit is accounted for by reducing the purchase cost of the materials/fixed assets/services.

I. Revenue Recognition

- a. Revenue is recognised on transfer of significant risk and reward in respect of ownership.
- b. Sales/Turnover for the year includes sales value of goods and other recoveries such as insurance, transportation and packing charges but excludes sales tax, value added tax and recovery of finance and discounting charges.
- c. Insurance, Duty Drawback and other claims are accounted for as and when admitted by the appropriate authorities.
- d. Dividend on investments is recognised when the right to receive is established.

(Notes continued)

J. Foreign Currency Transactions

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transactions. Foreign Currency Monetary Assets and Liabilities are translated at the year end rate. The difference between the rate prevailing on the date of transaction and on the date of settlement as also on translation of Monetary Items at the end of the year is recognised, as the case may be, as income or expense for the year.

K. Employee Benefits

Short Term Employees Benefits

Short Term Employees Benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related services are rendered.

L. Taxation

Income tax comprises of current tax and deferred tax. Provision for current income tax is made on the assessable income/benefits at the rate applicable to relevant assessment year. Deferred tax assets and liabilities are recognised for the future tax consequences of timing differences, subject to the consideration of prudence. Deferred tax assets and liabilities are measured using the tax rates enacted or substantively enacted by the Balance Sheet date. The carrying amount of deferred tax asset/liability are reviewed at each Balance Sheet date and recognised and carried forward only to the extent that there is a reasonable certainty that the asset will be realised in future.

Minimum Alternate Tax (MAT) paid on the book profits, which give rise to future economic benefits in the form of tax credit against future income-tax liability, is recognised as an asset in the Balance Sheet if there is convincing evidence that the Company will pay normal tax within the period specified for utilisation of such credit.

M. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources in respect of which reliable estimate can be made.

Contingent Liabilities are disclosed by way of Notes to Accounts. Disputed demands in respect of Central Excise, Customs, Income-tax and Sales Tax are disclosed as contingent liabilities. Payment in respect of such demands, if any, is shown as an advance, till the final outcome of the matter.

Contingent assets are not recognised in the financial statements.

N. Prior period items

Prior period items are included in the respective heads of accounts and material items are disclosed by way of Notes to Accounts.

O. Other Accounting Policies

These are consistent with the generally accepted accounting principles.

The provision for Income Tax is made after taking into consideration, the benefits admissible under the provisions of the Income Tax Act, 1961 and the same is, in the opinion of the Management, adequate.

The Minimum Alternate Tax (MAT) paid by the Company is entitled to be carried forward and utilized in subsequent years. In the opinion of management, on the basis of projections, estimates of future taxable income and the extension of period of utilization of MAT credit as per the amendment made by the Finance Act (No.2), 2009, the Company would have normal tax liability within the specified period to avail such MAT credit. Consequently, the Company has recognized the MAT credit entitlement.
